# du MAURIER PRESENTS • A GREAT MOMENT IN FOOTBALL •

When Calgary Stampeders lit the big fuse and touched off the greatest Grey Cup celebration in Canada's history, back in 1948, they tossed more than one bomb into Toronto's staid confines.

The Stamps turned loose a back-field bomb then rated the greatest in Canadian football—Paul Rowe, who was no American-born import.

Experts had rated Rowe as one of the best plunging fullbacks in western Canada's history and few disagreed with the overall reputation of the big lad who was born in Victoria, B.C., graduated from English rugby to a scholarship at U. of Oregon and then beat out all rivals for the school's No. 1 fullback spot.

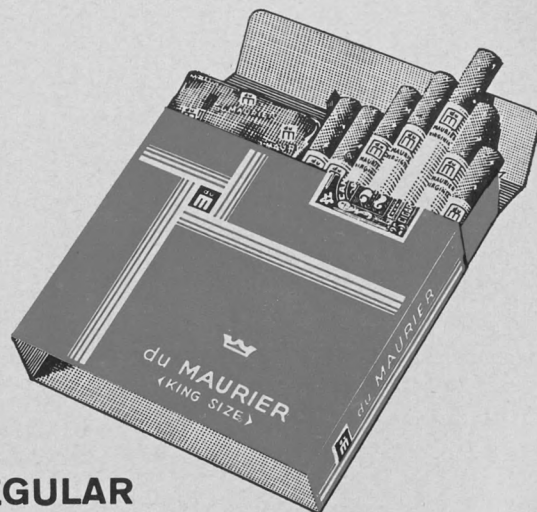

Entering Canada with Carl Cronin's Calgary Bronks, back in 1938, Rowe put three years' experience behind him and moved overseas with many other grid-iron stars. He returned to Calgary

to play for a co-operative team in 1945-46-47, reaching the heights with an undefeated season and a Grey Cup triumph in 1948.

Forced out in 1950 by injuries, Rowe coached, assisted with minor football and posted a 12-year career in Canadian football that led inevitably to a "Paul Rowe Night" prompted by the admiration and appreciation of fans and officials everywhere.

A member of the western Canada all-stars in 1939-40, 1946-47, Rowe was winner of the Dave Dryburgh trophy (leading scorer) in 1939 and 1948. He deserved all the honors he received and fully earned his inclusion in the Canadian Football Hall of Fame.

## Where to find it . . .

Read all about it! The regular 'two-fisted' feature on an Esk player by versatile Wally (The Shadow) Cross spotlights sophomore end Ron Forwick and will be found on Page 40. A Calgary special occupies Page 8. For those who like their down-memory-lane spiced with a happy ending a perusal of Page 37 is a must. Here is sketched the story of THAT comeback in 1952. Remember — Arnold to Prather? Names and numbers of all the players, as well as other goodies, also are to be found on the inside.

## Well, it's this way . . .

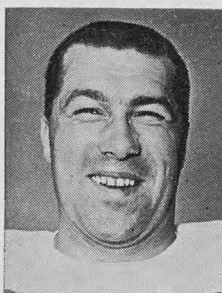

The next Eskimo home game? So who can say for certain, there are so many 'ifs'. If the Eks eliminate the Stampeders tonight, thereby gaining the semi-final round against Winnipeg, that sudden death clash is scheduled for the Manitoba capital, Nov. 5 or 6. And if the men of Neill Armstrong get by the Bombers then, and only then, can plans be laid for another home game at Clarke Stadium. Not that anyone at this time even can set the exact date.

## Win a Trip to the Sun

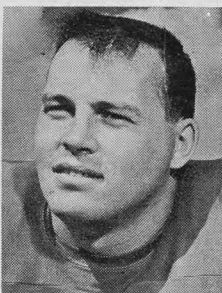

Oh to be heading South on a Club Calypso flight to one of these fabulous islands: Bahamas, Jamaica, Antigua, Barbados or Trinidad. The chance can be yours and all because Radio Station CJCA, in collaboration with Air Canada, is offering a free ticket for a fun-filled Air Canada Club Calypso return flight, good for 12 months, to one of these Islands. It takes the form of a lucky program number draw. After each home Eskimo contest the lucky number draw is made and the name of the fortunate fan broadcast over CJCA. So be listening in to 'big' CJCA. See Page 4 for how you could win.

# 1966 Eskimo Directors

HUGH McCOLL

JACK AGRIOS

JACK BAKER

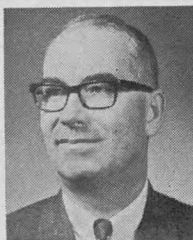

BOB COXFORD

BRYAN ELLIS

DON GETTY

DAVE JACOX

SAM LIEBERMAN

DUNC MARSHALL

Though changes have come to the Eskimo Directorate in the past two seasons the current 'line-up' is easily recognizable. No fewer than five members of the original Nervous Nine remain in harness, still dedicated to the proposition that Edmonton — and the Eskimos — once again can scale the heights of Canadian professional football.

The five 'originals' include President Hugh McColl, now in his second term of office, as successor to Walter Sprague, Treasurer Jack Baker, Jack Agrios, Sam Lieberman, Q.C., and Dunc Marshall. For the record, those 'originals' who have departed the scene, either voluntarily or for business reasons beyond their control, are Past President Sprague, George Smithson, Tommy Fox and Dr. D. Cooper Johnston.

In their places we find such livewires as Bob Coxford and Bryan Ellis, each serving his second year on the directorate, and first year members Don Getty, 'up' from the playing ranks, and Dave Jacox.

It will be remembered that early in 1964, following a 'survey' of the club's administrative set-up, the directorate was streamlined drastically to about one third previous size. As well, under the new corporate structure, provision was made for an advisory Board of Governors consisting of former club presidents.

The current Board of Directors is made up of men successful in business or the professions and widely respected in the community. President McColl, as did Walter Sprague before him, provides dynamic leadership and his colleagues respond willingly. As a result the past three

seasons have been marked by a goodly number of 'firsts' — a permanent training camp set up at Holy Redeemer college, a freshly new approach to season ticket sales, including the Open House of the past spring, re-locating of the club offices in the Edmonton Inn, and more.

To 'introduce' the members of the directorate: Hugh McColl is a prominent automobile dealer, with a fine record of public and community service going for him. Treasurer Jack Baker, a chartered accountant, already is in his fourth year of what is a demanding time-consuming assignment.

Messrs. Agrios and Lieberman are highly regarded in law circles. The former, in his undergraduate days at the University of Alberta, served as president of the Men's Athletic Board. The name Lieberman, of course, has long been associated with Eskimo affairs. As for Marshall, Dunc manages the firm of International Radiography and Services Ltd. and his interest in football goes back to his days at the U. of A. when he served as manager of various Green-and-Gold grid teams.

Bob Coxford, of the meat-packing industry, a longtime resident of Edmonton, has had a finger in sport (baseball, hockey also), for most of that time, while Bryan Ellis, an engineering consultant, is a former president of Mayfair Golf and Country Club and otherwise sports-minded.

Don Getty? Eskimo followers hardly require an introduction in his case. Now that his quarterbacking days are behind him, Don is a rapidly rising oil executive. Dave Jacox has for many years been a football enthusiast and ardent booster of the Eskimos. Businesswise, he is Edmonton manager of Pacific Western Airlines.

## Stamps Out to Win Even if it Takes a Miracle

Calgary (Special): It has to be a tribute to the fighting spirit of coaches and players that a team earlier on dubbed 'The Unluckiest Team in Canadian Football', otherwise the Calgary Stampeders, is still 'alive' on this the last game of its regular schedule.

Granted, Coach Jerry Williams' gang is only just barely breathing. But while there's life there's hope and this is the attitude the Cowboys have taken while getting ready for the Eskimos: other teams have overcome 21-point-leads — and more — and we've proven already that bucking the odds has become our way of life in 1966.

Call the Stampeder roll. "Lovell Coleman . . . Ted Woods . . . Bill Gaskins" — for openers. Nothing. No answer.

Coleman and Woods, easily a pair of the top backs in the CFL. Gaskins, a defensive specialist who, until struck down by an injury in Stamps' fourth game of the schedule, gave every indication of making a strong run for rookie honors.

Coleman, Woods and Gaskins, all three knocked out of competition almost before the season was underway, all three suffering an injury to the Achilles tendon. Three players on the same team 'getting it' in this fashion. The odds against such an eventuality must approach 1,000,000 to one.

Jim Furlong, too, lost for half the season. Willie Ross on the limp. Just some of the walking wounded who haunted McMahon Stadium.

To recap the '66 playoff chase — it didn't take long for the fates to deal harshly with the Stampeders. No casualties in the pre-season encounters (beat Montreal, lose to Toronto), none very serious, that is. Back home to take on the B.C. Lions in the Conference opener. Joe Kapp and Willie Fleming combine on some passing heroics and the Leos head back to Vancouver with a scalp to their credit. Disquieting for Bossman Jerry Williams and his troupe. But — the season's early and you can't expect to win 'em all.

Next an eastern swing to Ottawa and Hamilton, in that order, for a pair of interlocking games. Furlong cracks up an ankle while Woods, buried under a swarm of Ottawa tacklers, qualifies as a stretcher case.

On to Hamilton where Coleman gets 'his', also when gang tackled by three or four burly Ti-Cats. Now the Cowboys are 0-3 in the standings, shortly Eagle Day is put on the block, it looks as though while things really look black, they are likely to get worse.

But why go on with this tale of woe. The Stamps might have curled up and died in the face of such adversity. But they didn't. Coach Williams reassembled his forces. The Stamps knocked off several teams, at least enough to keep playoff hopes alive. Just last Tuesday they dropped a 28-26 heartbreaker to Saskatchewan in the last minute of action. Had this not occurred think how alive they would be tonight!

As it is they're looking to win — even if it takes a miracle. The Stampeders are like this.

**A famous Canadian  
tradition...authentic  
Hudson's Bay Coats**

Hudson's Bay "blanket coats" are a tradition older than Canada itself. The original Mackinaw Coats were made from Hudson's Bay blankets for British soldiers during the War of 1812. The styles, of course, have changed since 1812, but the Bay tradition of fine quality remains the same. Today, you can get the familiar multi-striped coats, or pure wool coats in solid colors in smart styles for men, women and children. Look for the Bay Seal of Quality.

# PENALTIES

Are assessed with the loss of a down or yardage or both, and there are several options to the non-offending team.

**1. BLOCKING FROM THE REAR** of a player who does not have the ball in his possession is illegal. In order to call **blocking from the rear** the officials must see the original contact. Penalty—1st and 2nd Down Loss of 15 yards. 3rd Down, **Yards Gained**, Loss 15 yards, Down repeated. 3rd Down, **Yards Not Gained**, Loss 15 yards and the ball.

**NOTE:** Blocking from the rear will be permitted only in **close line play**—that is, within one yard either side of the line of scrimmage and from tackle to tackle. The concession will be extended to ends and wing backs only when their blocking occurs in this area.

**2. UNNECESSARY ROUGHNESS** (scragging, tripping, blocking from the rear, tackling out-of-bounds, grasping an opponent's face guard, piling on, or any act of unnecessary roughness to kicker)—Loss of 15 yards.

**3. PILING ON** is when an opponent runs into, throws his body against or falls upon a ball-carrier whose progress has, to all intents and purposes, been stopped. Penalty—Loss of 15 yards.

**4. HOLDING** is when a player uses his hands or arms to grasp an opponent. Illegal at all times except in the case of a player who **actually tackles the ball carrier**. Holding by offense on 1st and 2nd Down—Loss of 10 yards. On 3rd Down, if yards made—Loss of 10 yards. Down repeated. 3rd Down, if yards not gained—Loss of ball. Holding by defense—Loss of 10 yards.

**5. NO YARDS:** 1st Down to receiving side and 15 yard penalty against offending team. No player of the punting team, except the punter and any onside player may be within 5 yards of the punt receiver.

**6. LEGAL INTERFERENCE ON FORWARD PASS PLAY—** Players of the **passer's team** may interfere at any point back of the line of scrimmage but not beyond one yard in advance of it until the pass is either complete or incomplete or the ball is declared dead after which no such interference is permissible. Players of the **defending team** may only interfere with possible eligible receivers in a zone one yard on their own side of the line of scrimmage. Penalty by attacking team—Loss of 10 yards. Penalty by defensive team—Pass completed, first down.

## 7. OFFSIDE:

(a) On scrimmage by offense during 1st or 2nd Down — Loss of 5 yards. On 3rd Down on a kick — re-scrimmage with the loss of 5 yards, option to non-offending side. On 3rd Down on a Ball Carrying or Forward Pass Play where **yards are gained** or goal-line reached — re-scrimmage with loss of 5 yards from point of last scrimmage, no option of choice by non-offending side. On 3rd Down on a Ball Carrying or Forward Pass Play where **yards are not gained**—loss of ball at point where ball became dead or point of last scrimmage if forward pass incomplete.

(b) On a Scrimmage by defense — Loss of 5 yards and Down repeated by attacking side unless 1st Down has been gained, or such option provided.

## General Manager

**NORM KIMBALL**

The July fourth resignation of Vic Schwenk as general manager of the Eskimos—Vic had to give up the job due to illness in his family—resulted in his assistant, Norm Kimball, being elevated to the post. At 36, Kimball is the youngest general manager in the Canadian Football League.

Born and educated in Edmonton, Norm has been a member of the Eskimo front office since 1961,

first as minor football co-ordinator, then successively as office manager and now, general manager. In other words he is entirely conversant with the administrative end of the club's operation, a big start for anyone taking over as general manager.

Kimball's first connection with football came as a high school player (University high), followed by coaching hitches at both the high school (Victoria) and junior levels (Edmonton Huskies, 1955-'60, for two seasons as head coach). Several times he attended coaching clinics at U.S. colleges, including study 'under' famed Forest Evashevski of Iowa.

He is, then, extremely well versed in the playing end.

Norm is a family man. His wife's name is Sharon. They have three boys, Doug, 14, Brian, 12, and Robert Bruce, three.

In receiving the appointment as general manager, Kimball had the 100 per cent endorsement of the Club Directorate. "We think Norm will do an excellent job," President Hugh McColl added a postscript.

# FOOTBALL GLOSSARY

**AUDIBLE**—While calling signals a quarterback decides on a change of strategy. This occurs after a defensive change has been observed by the QB. In other words, when a QB calls an audible, he is telling his teammates the original play is cancelled and a new play will be called.

**BUTTONHOOK**—Maneuver made by a pass-catching end who races straight downfield, then hooks around and back to take a short pass in the middle.

**DOWN-AND-IN**—A pass receiver goes down the sideline and cuts to the inside.

**DOWN-AND-OUT OR SIDELINE**—The pass receiver goes down the middle of the field and then cuts sharply toward the sideline.

**DRAW PLAY OR WAIT**—The ball handler fakes a pass and then hands off to one of his backs after a delay. Contrary to what many people think, a draw can be run off tackle or around end as well as up the middle. Also referred to as a delay.

**DROP BACK PASS**—When the quarterback drops straight back to throw with no attempt to deceive the opposition.

**FLANKER**—A back set out of his normal backfield position either wide or close, but still behind the line of scrimmage. Used primarily as a pass-receiver and secondarily as a blocker.

**FLOODING THE ZONE**—When all eligible receivers gather in one area it is called flooding the zone. It is usually one that the offensive team feels is the most vulnerable to attack.

**HAND-OFF**—The quarterback begins most plays with a handoff. This simply means thrusting the ball into the hands of a halfback or fullback.

**KEEPER**—This usually takes place when the quarterback fakes and then carries the ball himself.

**MAN-FOR-MAN-DEFENSE**—A pass defense system whereby each potential pass receiver is covered by a certain defensive back or linebacker.

**OPTION**—A halfback going wide has the "option" of running or throwing the ball.

**PASS PATTERN**—Where a group of receivers run a variety of courses in an attempt to spring one specific receiver into the open.

**PASS ROUTE OR PASS COURSE**—An individual maneuver by the intended receiver in an effort to beat or get behind the pass defender.

**PITCH-OUT**—A short pass behind the line of scrimmage—usually tossed underhand by the quarterback to one of his halfbacks or the fullback.

**QUICK OPENER**—This is designed to pick up short yardage through the line. Blocking is so arranged as to open up a hole suddenly for a quick burst by a back.

**RED-DOGGING**—The linebackers burst through the line with the intention of smashing down the passer before he has had a chance to throw. Red-dogging can be done by one or more linebackers.

**ROLL-OUT**—A T-formation quarterback moves behind line of scrimmage as though looking for a receiver. He just keeps right on going and if no receiver is free he rolls out around an end.

**SLANTING OR LOOPING**—An action by the defensive linemen moving from their original position and then charging either right or left into the enemy backfield.

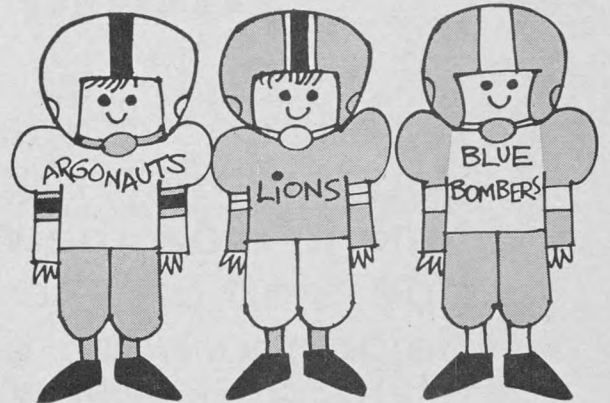

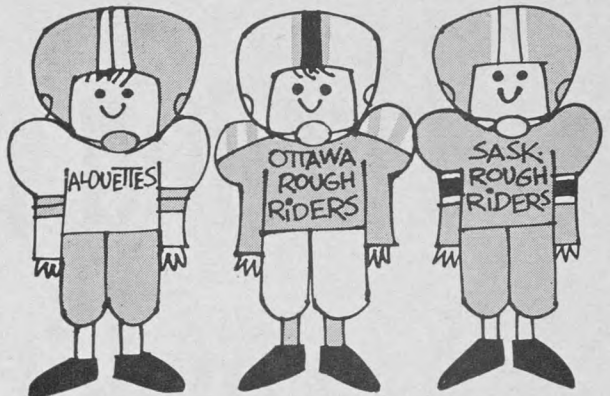

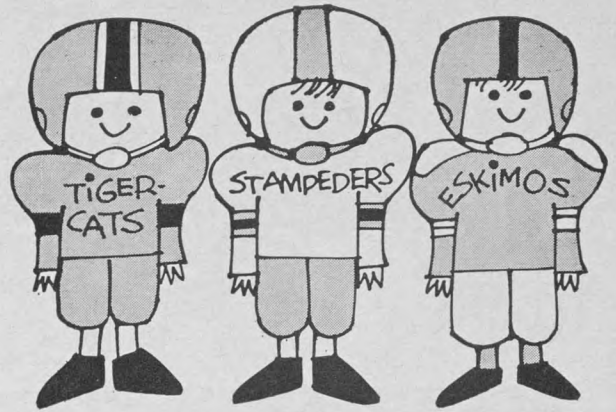

**SPLIT OR SPREAD END**—An end who is split from his tackle a minimum of five yards and as far out as the sideline but always on the line of scrimmage. Used primarily as a pass receiver.

**STUNTING**—A maneuver between a defensive lineman and a linebacker whereby they exchange defensive assignments.

**TIGHT END**—An end in the normal end position, i.e. next to the tackle. Used as both a blocker and pass receiver.

**TRAP**—The offensive line permits a defender to come into the backfield. There he is blocked and the play is run through the spot left open by the lineman who has been trapped.

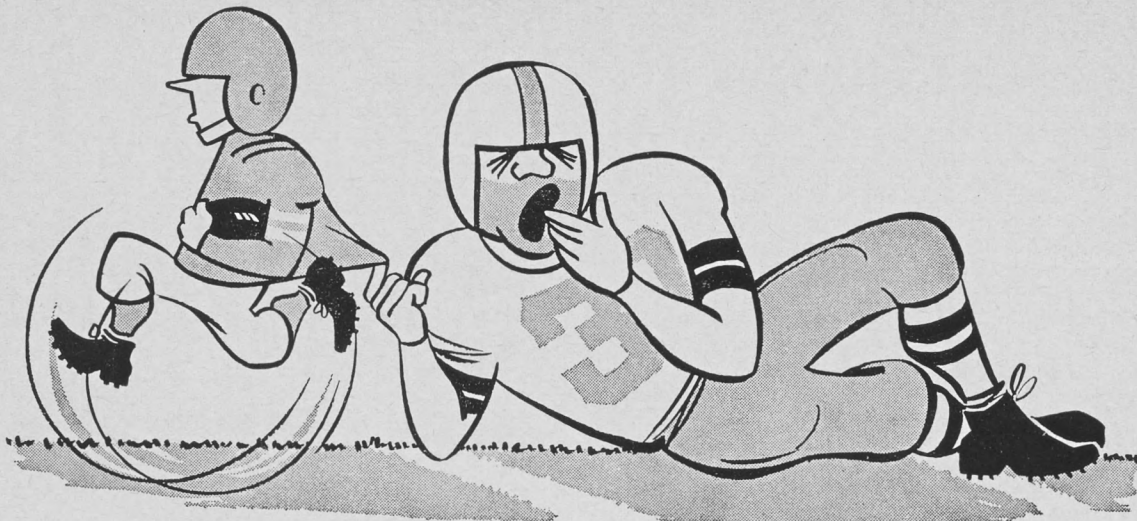

**ZONE DEFENSE**—Wherein the pass defenders cover specified areas of the field. The defenders are solely responsible for any opposing player coming into their area.

Every player, coach, trainer and staff member of each of the nine C.F.L. teams is protected by Mutual Life group insurance.

## 1966 PRESIDENT

HUGH MCCOLL

Hugh McColl, in his second term as Eskimo president, again heads up a hard working, dynamic club directorate that appears to have done everything in its power to guarantee a winner this season.

Many new players have been signed and several trades of considerable magnitude made. The club offices were re-located in the new Edmonton Inn. A stepped up season ticket campaign proved quite successful, even though discounts were abolished. An Open House, held at the Edmonton Inn, with the public, as well as season ticket holders invited,

drew in excess of 2,000 persons. It was easily one of the more successful promotions in club history.

Certainly, if being backed by a dedicated, energetic directorate can do the trick the Eskimos are in for a very successful season.

Born in Montreal and raised in Toronto, President McColl has been a resident of Edmonton since 1953 when he came west to assume the presidency of South Park Motors. Hugh has been prominent in civic, community, and service club affairs. He has made a lot of friends during his 13 years sojourn in Edmonton, as well as gaining recognition as a live-wire leader.

Mrs. McColl (Madge) is prominent in curling circles. A daughter, 19 year old Linda, is a folk singer of note. The other McColl offspring include Mrs. Ron Coyle, Hugh Jr., 15, and Shelley, nine years of age.

Balance of the Eskimo directorate consists of Messrs. Sam Lieberman, Q.C., Dunc Marshall, Jack Agrios, Bob Coxford, Treasurer Jack Baker, Bryan Ellis, Don Getty and Dave Jacox.

## WHEREIN A TRIP IS TAKEN DOWN MEMORY LANE

Naturally, as the Eskimos and Stampeders square off tonight in Clarke Stadium, the big question is: Can they do it? Can 'they', meaning the Cowboys, not only defeat the Green and Gold, but defeat them by 22 points, as the visitors must do to eliminate the Eskimos from the play-off chase in favor of themselves.

And it's ironic that if the Stampeders are looking for a precedent to give them inspiration and hope it's those same Eskimos who can provide it. Not the same bodies, of course, but still it was the Eskimo team of 1952 that got up off the deck, in almost the identical same adverse circumstances, to overcome a 19-point edge enjoyed by Calgary after the opening game of the semi-final series.

A good many seated in the Stadium will recall the circumstances. That season the Eskimos were coached by Frank Filchok, the Stampeders by Les Lear, currently one of the continent's more successful thoroughbred trainers, with a swank Florida home to prove it.

Calgary was the venue of the opening clash, played at 'old' Mewata Stadium. It was considered that the adversaries were well matched. If there was a slight edge the Stamps probably rated it. You never know, though, about a total point series. Anything can happen, as history has shown. However supporters of the Eskimos hardly were prepared for The Bomb.

Anyway, Bob Shaw, presently head coach of the Toronto Argos, kicked off for the Cowboys, who quickly took the ball back on downs. Then they went to work and almost before all the customers were nicely seated had sprinted into a two touchdown lead.

The Eskimos never got back in the game, try as they would, and the final score read 31-12. NINETEEN big points now separated the teams with but 60 minutes of football to play. The Eskimo cause looked, well, hopeless to say the least. You think so? Well, come in Frank Merriwell!

Actually there were a lot of Frank Merriwells in Eskimo uniforms when the teams got together that second time—but particularly the passing combination of Quarterback Claude (The Cobra) Arnold, Oklahoma, and large Rollin Prather, Kansas State, who was a prototype of today's tight end.

The Arnold - Prather duo went 'crazy' that night, re-writing the record book as Prather caught 15 of 19 passes tossed his way, most of them by Arnold, with now and then relief (short relief) from playing coach Filchok. Faced with this kind of aerial blitz the Cowboys watched helplessly as their 19 point lead slowly, but steadily, frittered away.

When it was over the Eskimos not only had overcome the deficit but for good measure had prevailed by 23 points to take the round, 42-38.

Fact that the Esks continued on to turn back Winnipeg in the western final, two victories to one, proved to be the frosting on the cake. And even a 22-11 setback at the hands of the Toronto Argos in the Grey Cup game failed to dampen the ardor of Edmonton's football bugs.

After the Calgary Comeback almost anything had to be anti-climatic, even the Big Game.

Now for a look at the Minutemen of Fifty Two: Frank Filchok, head coach, Joe (The Toe) Aguirre, assistant; Eagle Keys, Peter Gosich, Frank Morris, Jim Quondamatteo, Mario DeMarco, Joe Blanchard, Gene Kiniski, Bill Zock, Wilbur Snyder, Steve Paproski, Frank Anderson, Steve Bendiak and Bill Briggs. Rollin Prather, Rod Pantages, Don Lord, Mike King, Don Barry, Ted Tully, Bob Paffrath, George Festeryga, Steve Mendryk, Jim Chambers, Ray Enright, Glen McWhinney, Al Bryant, Normie Kwong, Vic Mayson, Claude Arnold, Rollie Miles and Don Simon.

Ah, sweet nostalgia . . .

**RON FORWICK**

A guy is blessed with a big, durable body and he has the talent to perform certain mechanical skills. Physical challenges do not scare him because he is stronger than most people.

# PROFILE

So the guy evaluates all these qualities and blessings and decides to stake his future on them in the grinding world of professional football.

He equates the dangers, the possibility of failure, the injuries, the fish-bowl life. And he looks at the pluses, the money, the recognition, the friendships and the unrestricted permission to belt another guy who thinks he's better.

Forwick, a huge 250-pound slice of manhood, last season's Rookie-of-the-Year in the Western Conference, an honor well deserved after a fabulous season, very adequately fills the first string defensive end position.

Ron was also honored by his team-mates who selected him to represent the team in the race for Most Valuable Canadian and the Schenley recognition that goes with it.

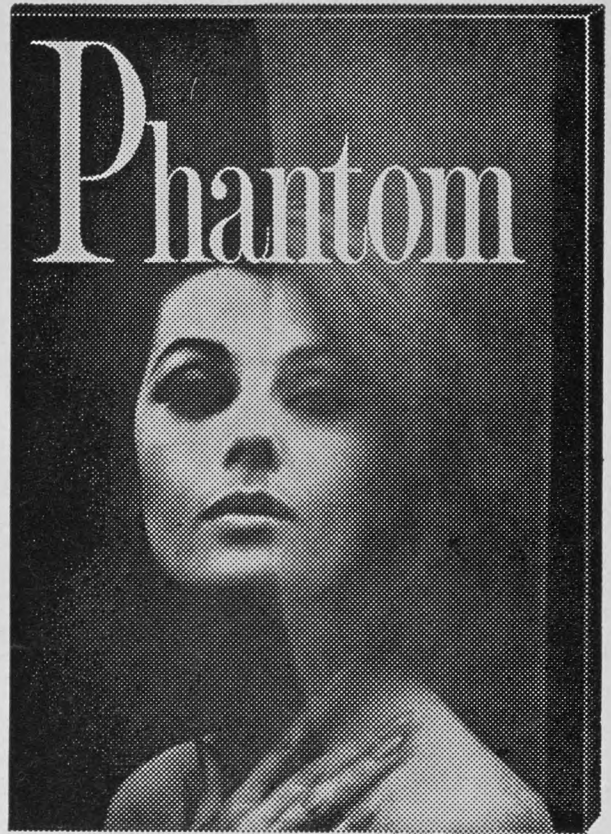

At six-foot-four and one-half, Ron still feels he can afford to add 10 pounds without losing any appreciable speed or agility.

"If I can get up to around 260 I think I'll be able to handle those tackles a lot easier," he says.

A graduate of Victoria Composite High School where he was a two-way end, Forwick, 22, played three years with the Canadian junior champion Edmonton Huskies before moving up to the Esks last season. He had a brief tryout with the Eskimos in 1964 but decided he wasn't quite ready for the responsibilities of professional football and returned to the Huskies to play out his final season of junior eligibility.

A source of great pride to Ron, who works as a shipper at Swift's when he's not playing football, is his younger brother, Dennis, also a prize pro prospect.

Ron has kept up his torrid pace and when all the CHIPS are counted at the end of this season the Eskimos will find in their possession a BLUE one in Ron Forwick, Defensive End.

## YOUR PROGRAM SELLERS

The girls you buy your program from are members of the Beta Sigma Phi Sorority and come from one of the 12 chapters in the Edmonton area. Beta Sigma Phi is an international organization with cultural, social and service projects as its aims with more than 200,000 members throughout the world.

In Edmonton, Eskimo fans will be pleased to know that Beta Sigma Phi in the past has donated to Zoe Gardner Home, Edmonton Ballet Society

and Muscular Dystrophy. This year's proceeds will be contributed largely to a University Bursary, which is open to any matriculation student, male or female, in Northern Alberta.

Congratulations girls on the excellent job you are doing and the wonderful work and contributions you are making to these worthy organizations. The Eskimo Football Club is proud to have you represent the Club by selling their official game program over the years.
